## ABOUT

It all started with an impetus, with a glorious question that we should all ask ourselves: What do you wish to leave behind when you're gone?

Lynn wants to leave guidance on how to live a fulfilling life.

She used that starting point to create Petite2Queen, an ever-growing dynamic group of women who provide fresh understandings and observations on what women are facing today, who strive to inspire women to live their best life through the Petite2Queen community.

Working in the sales and corporate world for 30+ years, Lynn has seen and experienced many challenges for women in the workplace. Her virtual mentoring community empowers women and educates individuals every day to confidence and success.

She is a powerhouse expert who brings a wealth of knowledge and an abundance of experience and expertise to a modern online world.

She supports women to define their personal roadmap in the short to long term, with career planning, personal branding, and career progression... the ingredients to a successful and enjoyable career recipe.

Lynn is a strong voice, a brilliant mind, and a huge heart - perfect for any program interested in developing women's skills and experience to maximize their impact on the working world.
